Principles of Specialized Youth Ministry—YMAD 005

Description

This workshop will cover the basics of why we need specialized youth ministries and how they have functioned up to now. We will look at ways to further develop our youth ministries today with models based on growing awareness of the developmental needs of youth, intergenerational dynamics, and an understanding of cultural and societal trends that are impacting youth.

Notes from Workshop

Resource Material

- *You Lost Me*, 2011. David Kinnaman, Baker Book
- *iY Generation*, 2010. Tim Elmore, Poet Gardener Publishing
