

Intro to Discipline

Overview

- What is Discipline?
- Why do we Discipline
- Effective ways to Discipline

NOTES –

What is discipline?

Definition

Reasons for discipline

What is the difference between discipline and punishment?

Practical applications

Before you start

The act of discipline

Teach discipline in small steps

Start the year with a general meeting

Your behavior, Staff behavior

Find the root of the problem

Real life examples and ideas

Scenario 1

Boy slugs a girl in the belly just as the meeting is over and they are waiting to be picked up.

Scenario 2

You have told the teenagers to quiet down. It's past curfew and they should be asleep. After the third warning, what do you do?

Scenario 3

On a club campout to a lake, the pathfinders were told there would be no swimming. Three pathfinders are found not to be in camp. When they are located they are all wet in their cloths.

Takeaways

- Plan ahead
- Be consistent
- Remember the goal
