 - i. Name suggestion:
 - 1. English – Adventurer Bible Game
 - 2. Español - Juego Bíblico de Aventureros
 - 3. French – Jeu Biblique des Aventuriers
 - ii. Reasons:
 - 1. Reasons this is the name recommended:
 - 2. We want to be sure it is not confused with Pathfinder Bible Experience (so not Adventurer Bible Experience)
 - 3. We want to make sure that it is clear than the intent is for this to be Bible knowledge based and FUN (Bible & Game)
 - 4. This is intended to be part of the Adventurer program. Not an independent thing run separate from the club. It is for families who are members of the Adventurer club. So, this becomes part of the club’s way of supporting and encouraging families to study their Bibles together.
 - 5. We didn’t feel the need to put Family in the name because Adventurers is a club for families with children in the given age range. The whole club system is supposed to focus on and support the family in various ways.
